

Subsidized Child Care Assistance Makes a Difference for Children and Communities

Alamance County

SFY 2017-2018

What Service is Needed:

Subsidized Child Care Assistance

- Helps parents pay for child care so they can work or attend school
- Provides information to parents about how to choose a safe, quality child care arrangement
- Funded by a mixture of state (20%) and federal dollars (80%)

Alamance County Facts

- 7,343 children are potentially eligible for subsidized child care assistance. Children under age 0-5 whose Parent(s) are working and whose family income is at or below the 200% federal poverty level or children 6-11 whose family income is at or below 133% FPL.¹
- \$ 7,208,984 is currently available to serve eligible children.²
- Currently 1,516 children are receiving subsidized child care assistance. This represents 20.65% of all potentially eligible children.²

¹Based upon data from the 2008 – 2012 American Community Survey data and July 2017 Population by Age from the North Carolina State Data.

²Includes Non-Smart Start and Smart Start final allocations (SFY 2017-18) and children served (during 5/18)

Key Facts about Subsidized Child Care Assistance

- Approximately 69,133 children per month receive subsidized child care assistance
- 82% of the children are receiving assistance because their parents are employed
- 81% of the families receiving assistance earn less than \$25,000 per year
- Parents pay a portion of the child care cost by paying 10% of their income as a parent fee

The Benefits:

For Families

- Helps parents to work and attend school
- Provides a safe setting for children
- Helps children to be better prepared for school
- Having a good early childhood education experience helps children to be successful in language, math and social skills in school

For the Community

- Working families put a large amount of money back into the local economy and tax system through their employment, earnings and purchase of child care.
- The cost of child care subsidy services is offset by the working families' ability to pay taxes.
- Parents with stable child care arrangements are more focused on the job and make better employees.
- Receiving subsidized child care assistance offers children a chance to receive an early childhood education which leads to increased success in school and less costs to the community and state in terms of remedial service.

Subsidized Child Care Assistance Makes a Difference for Children and Communities

Subsidized Child Care Assistance

- Helps parents pay for child care so they can work or attend school
- Provides information to parents about how to choose a safe, quality child care arrangement
- Funded by a mixture of state (20%) and federal dollars (80%)

Camden County Facts

- 253 children are potentially eligible for subsidized child care assistance. Children under age 0-5 whose Parent(s) are working and whose family income is at or below the 200% federal poverty level or children 6-11 whose family income is at or below 133% FPL.¹
- \$84,711 is currently available to serve eligible children.²
- Currently 19 children are receiving subsidized child care assistance. This represents 7.51% of all potentially eligible children.²

¹Based upon data from the 2008 – 2012 American Community Survey data and July 2017 Population by Age from the North Carolina State Data.

²Includes Non-Smart Start and Smart Start final allocations (SFY 2017-18) and children served (during 5/18)

Key Facts about Subsidized Child Care Assistance

- Approximately 69,133 children per month receive subsidized child care assistance
- 82% of the children are receiving assistance because their parents are employed
- 81% of the families receiving assistance earn less than \$25,000 per year
- Parents pay a portion of the child care cost by paying 10% of their income as a parent fee

The Benefits:

For Families

- Helps parents to work and attend school
- Provides a safe setting for children
- Helps children to be better prepared for school
- Having a good early childhood education experience helps children to be successful in language, math and social skills in school

For the Community

- Working families put a large amount of money back into the local economy and tax system through their employment, earnings and purchase of child care
- The cost of child care subsidy services is offset by the working families' ability to pay taxes
- Parents with stable child care arrangements are more focused on the job and make better employees
- Receiving subsidized child care assistance offers children a chance to receive an early childhood education which leads to increased success in school and less costs to the community and state in terms of remedial service

- Funded by a mixture of state (20%) and federal dollars (80%)

Davidson County Facts

- 6,430 children are potentially eligible for subsidized child care assistance. Children under age 0-5 whose Parent(s) are working and whose family income is at or below the 200% federal poverty level or children 6-11 whose family income is at or below 133% FPL.¹
- \$6,215,395 is currently available to serve eligible children.²
- Currently 930 children are receiving subsidized child care assistance. This represents 14.46% of all potentially eligible children.²

¹Based upon data from the 2008 – 2012 American Community Survey data and July 2017 Population by Age from the North Carolina State Data.

²Includes Non-Smart Start and Smart Start final allocations (SFY 2017-18) and children served (during 5/18)

Key Facts about Subsidized Child Care Assistance

- Approximately 69,133 children per month receive subsidized child care assistance
- 82% of the children are receiving assistance because their parents are employed
- 81% of the families receiving assistance earn less than \$25,000 per year
- Parents pay a portion of the child care cost by paying 10% of their income as a parent fee

The Benefits:

For Families

- Helps parents to work and attend school
- Provides a safe setting for children
- Helps children to be better prepared for school
- Having a good early childhood education experience helps children to be successful in language, math and social skills in school

For the Community

- Working families put a large amount of money back into the local economy and tax system through their employment, earnings and purchase of child care.
- The cost of child care subsidy services is offset by the working families' ability to pay taxes.
- Parents with stable child care arrangements are more focused on the job and make better employees.
- Receiving subsidized child care assistance offers children a chance to receive an early childhood education which leads to increased success in school and less costs to the community and state in terms of remedial service.

- Funded by a mixture of state (20%) and federal dollars (80%)

Harnett County Facts

- 5,703 children are potentially eligible for subsidized child care assistance. Children under age 0-5 whose Parent(s) are working and whose family income is at or below the 200% federal poverty level or children 6-11 whose family income is at or below 133% FPL.¹
- \$5,086,012 is currently available to serve eligible children.²
- Currently 733 children are receiving subsidized child care assistance. This represents 12.85% of all potentially eligible children.²

¹Based upon data from the 2008 – 2012 American Community Survey data and July 2017 Population by Age from the North Carolina State Data.

²Includes Non-Smart Start and Smart Start final allocations (SFY 2017-18) and children served (during 5/18)

Key Facts about Subsidized Child Care Assistance

- Approximately 69,133 children per month receive subsidized child care assistance
- 82% of the children are receiving assistance because their parents are employed
- 81% of the families receiving assistance earn less than \$25,000 per year
- Parents pay a portion of the child care cost by paying 10% of their income as a parent fee

The Benefits:

For Families

- Helps parents to work and attend school
- Provides a safe setting for children
- Helps children to be better prepared for school
- Having a good early childhood education experience helps children to be successful in language, math and social skills in school

For the Community

- Working families put a large amount of money back into the local economy and tax system through their employment, earnings and purchase of child care.
- The cost of child care subsidy services is offset by the working families' ability to pay taxes.
- Parents with stable child care arrangements are more focused on the job and make better employees.
- Receiving subsidized child care assistance offers children a chance to receive an early childhood education which leads to increased success in school and less costs to the community and state in terms of remedial service.

- Funded by a mixture of state (20%) and federal dollars (80%)

Madison County Facts

- 529 children are potentially eligible for subsidized child care assistance. Children under age 0-5 whose Parent(s) are working and whose family income is at or below the 200% federal poverty level or children 6-11 whose family income is at or below 133% FPL.¹
- \$457,497 is currently available to serve eligible children.²
- Currently 147 children are receiving subsidized child care assistance. This represents 27.79% of all potentially eligible children.²

¹Based upon data from the 2008 – 2012 American Community Survey data and July 2017 Population by Age from the North Carolina State Data.

²Includes Non-Smart Start and Smart Start final allocations (SFY 2017-18) and children served (during 5/18)

Key Facts about Subsidized Child Care Assistance

- Approximately 69,133 children per month receive subsidized child care assistance
- 82% of the children are receiving assistance because their parents are employed
- 81% of the families receiving assistance earn less than \$25,000 per year
- Parents pay a portion of the child care cost by paying 10% of their income as a parent fee

The Benefits:

For Families

- Helps parents to work and attend school
- Provides a safe setting for children
- Helps children to be better prepared for school
- Having a good early childhood education experience helps children to be successful in language, math and social skills in school

For the Community

- Working families put a large amount of money back into the local economy and tax system through their employment, earnings and purchase of child care.
- The cost of child care subsidy services is offset by the working families' ability to pay taxes.
- Parents with stable child care arrangements are more focused on the job and make better employees.
- Receiving subsidized child care assistance offers children a chance to receive an early childhood education which leads to increased success in school and less costs to the community and state in terms of remedial service.

- Funded by a mixture of state (20%) and federal dollars (80%)

Pender County Facts

- 2,225 children are potentially eligible for subsidized child care assistance. Children under age 0-5 whose Parent(s) are working and whose family income is at or below the 200% federal poverty level or children 6-11 whose family income is at or below 133% FPL.¹
- \$1,655,146 is currently available to serve eligible children.²
- Currently 375 children are receiving subsidized child care assistance. This represents 16.85% of all potentially eligible children.²

¹Based upon data from the 2008 – 2012 American Community Survey data and July 2017 Population by Age from the North Carolina State Data.

²Includes Non-Smart Start and Smart Start final allocations (SFY 2017-18) and children served (during 5/18)

Key Facts about Subsidized Child Care Assistance

- Approximately 69,133 children per month receive subsidized child care assistance
- 82% of the children are receiving assistance because their parents are employed
- 81% of the families receiving assistance earn less than \$25,000 per year
- Parents pay a portion of the child care cost by paying 10% of their income as a parent fee

The Benefits:

For Families

- Helps parents to work and attend school
- Provides a safe setting for children
- Helps children to be better prepared for school
- Having a good early childhood education experience helps children to be successful in language, math and social skills in school

For the Community

- Working families put a large amount of money back into the local economy and tax system through their employment, earnings and purchase of child care.
- The cost of child care subsidy services is offset by the working families' ability to pay taxes.
- Parents with stable child care arrangements are more focused on the job and make better employees
- Receiving subsidized child care assistance offers children a chance to receive an early childhood education which leads to increased success in school and less costs to the community and state in terms of remedial service.

- Funded by a mixture of state (20%) and federal dollars (80%)

Stokes County Facts

- 1,603 children are potentially eligible for subsidized child care assistance. Children under age 0-5 whose Parent(s) are working and whose family income is at or below the 200% federal poverty level or children 6-11 whose family income is at or below 133% FPL.¹
- \$1,127,790 is currently available to serve eligible children.²
- Currently 246 children are receiving subsidized child care assistance. This represents 15.35% of all potentially eligible children.²

¹Based upon data from the 2008 – 2012 American Community Survey data and July 2017 Population by Age from the North Carolina State Data.

²Includes Non-Smart Start and Smart Start final allocations (SFY 2017-18) and children served (during 5/18)

Key Facts about Subsidized Child Care Assistance

- Approximately 69,133 children per month receive subsidized child care assistance
- 82% of the children are receiving assistance because their parents are employed
- 81% of the families receiving assistance earn less than \$25,000 per year
- Parents pay a portion of the child care cost by paying 10% of their income as a parent fee

The Benefits:

For Families

- Helps parents to work and attend school
- Provides a safe setting for children
- Helps children to be better prepared for school
- Having a good early childhood education experience helps children to be successful in language, math and social skills in school

For the Community

- Working families put a large amount of money back into the local economy and tax system through their employment, earnings and purchase of child care.
- The cost of child care subsidy services is offset by the working families' ability to pay taxes.
- Parents with stable child care arrangements are more focused on the job and make better employees.
- Receiving subsidized child care assistance offers children a chance to receive an early childhood education which leads to increased success in school and less costs to the community and state in terms of remedial service.

- 1,414 children are potentially eligible for subsidized child care assistance. Children under age 0-5 whose Parent(s) are working and whose family income is at or below the 200% federal poverty level or children 6-11 whose family income is at or below 133% FPL.¹
- \$418,764 is currently available to serve eligible children.²
- Currently 115 children are receiving subsidized child care assistance. This represents 8.13% of all potentially eligible children.²

¹Based upon data from the 2008 – 2012 American Community Survey data and July 2017 Population by Age from the North Carolina State Data.

²Includes Non-Smart Start and Smart Start final allocations (SFY 2017-18) and children served (during 5/18)

Key Facts about Subsidized Child Care Assistance

- Approximately 69,133 children per month receive subsidized child care assistance
- 82% of the children are receiving assistance because their parents are employed
- 81% of the families receiving assistance earn less than \$25,000 per year
- Parents pay a portion of the child care cost by paying 10% of their income as a parent fee

The Benefits:

For Families

- Helps parents to work and attend school
- Provides a safe setting for children
- Helps children to be better prepared for school
- Having a good early childhood education experience helps children to be successful in language, math and social skills in school

For the Community

- Working families put a large amount of money back into the local economy and tax system through their employment, earnings and purchase of child care.
- The cost of child care subsidy services is offset by the working families' ability to pay taxes.
- Parents with stable child care arrangements are more focused on the job and make better employees.
- Receiving subsidized child care assistance offers children a chance to receive an early childhood education which leads to increased success in school and less costs to the community and state in terms of remedial service.

Subsidized Child Care Assistance Makes a Difference for Children and Communities

Yancey County SFY 2017-2018
